

Cultural Appropriation of Krishno, Father Tongue Religion (F.t.r.) in fracas between different Mother Tongue Religions (M.t.r.)

Reading portions in the sample at weblink, there are sections in the book/s etc by Mukunda dasa - Mr Mark Whiteley, where there are claims and rants against Mother Tongue Religions (Mtr) directly blaming, Judeo, Mother Tongue Religion (Mtr), on account of his, Christo, Mother Tongue Religion (Mtr).

I don't believe this is the right thing to do when discussing Krishno, Father Tongue Religion (Ftr).

Mukunda dasa - Mr Mark Whiteley, also outsources / exports Mother Tongue Religions (Mtr) to governance systems of communism / kibbutz and capitalism -- Judeo, Mother Tongue Religion (Mtr) is linked to communism / kibbutz and Christo, Mother Tongue Religion (Mtr) is linked to capitalism.

Again I don't believe this is right thing to do when discussing, Krishno, Father Tongue Religion (Ftr) because the philosophy of Krishno, Father Tongue Religion (Ftr) has both governance systems of capitalism and communism / kibbutz, for example, Krishno, Father Tongue Religion (Ftr) philosophy is "Every town and village" a two places philosophy. So both governance systems of capitalism and communism / kibbutz are there in Krishno, Father Tongue Religion (Ftr).
